Chennai to face 3-day water supply disruption in 7 zones from July 30 to August 1

The Chennai Metropolitan Water Supply and Sewerage Board (CMWSSB) announced a temporary suspension of piped water supply in Zones 7 to 13 and parts of Tambaram Corporation from July 30 to August 1. This is due to interconnection work delaying the full-scale delivery of 530 million litres of water per day from the Chembarambakkam Water Treatment Plant.

The disruption is part of efforts to connect a new 2000 mm pipeline to the existing system, which will eventually double the supply from 265 to 530 million litres daily (MLD).

Due to the interconnection of the newly laid second line 2000 mm diameter main drinking water pipeline from the Chembarambakkam Water Treatment Plant to the Poonamallee bypass road with the existing 2000 mm pipeline, drinking water supply through pipelines will be suspended in seven zones.

These zones include Ambattur, Anna Nagar, Teynampet, Kodambakkam, Valasaravakkam, Alandur, and Adyar, as well as certain areas under Tambaram Corporation, from July 30, 8 am to

August 1, 10 pm.

Chembarambakkam Lake plays a crucial role in providing drinking water to the city. To meet the city's needs, 66.78 million cubic feet of water is drawn from the lake, purified through treatment plants, and then supplied to the public.

The treated water is supplied through pipes to various areas, including Porur, Guindy, Velachery, T Nagar, Kodambakkam, and Adyar.

Based on the drinking water needs and the growing population, the metro water board carries out pipeline interconnection works to increase the supply from the Chembarambakkam Water Treatment Plant. Already, 265 MLD of drinking water is being supplied from the plant, and an additional 265 MLD will be supplied in the coming days. Thus, a total of 530 MLD of treated drinking water will be distributed. Since the piped drinking water will be suspended for three days, the CMWSSB has advised the public to store sufficient drinking water in advance as a precaution.

For emergency requirements, water tankers (Dial for Water) can be requested by registering through the board's website.

Building the Future Why School Students Should Choose Science at Higher Secondary B.Sc. Physics at CTTE

The B.Sc. Physics programme at CTTE College is designed for students who aspire to shape the world through scientific understanding and innovation. Covering subjects such as Heat, Acoustics, Electronics, Energy Physics, Atomic Physics, Material Science, Nuclear Physics, Numerical Methods, Mechanics, Quantum Mechanics, and Nanotechnology, the program builds a powerful foundation for

careers in emerging fields like quantum communication, renewable energy, and artificial intelligence. Students from the B.Sc. Physics programme at CTTE have advanced to become scientists at national research institutions, professionals in IT and multinational companies, and respected academics across the country. Schools must encourage students to pursue science combinations such as Mathematics,

Physics, and Chemistry; Chemistry, Physics, and Biology; or Mathematics, Physics, and Computer Science. Mastering these sciences develops a disciplined, analytical, and creative mindset that industries demand. Students who learn to love science early become problem-solvers and innovators, ready to tackle global challenges with confidence. Choosing science today is an investment in a brighter, empowered future.

Kargil Vijay Diwas at KRM Public School

“More sweat in peace less your bleed in way” quoted by Capt. Chandran the Ex-commanding officer, 1 TN Naval NCC wing who retired from Navy after 33 years of service. He encouraged the cadets to work diligently, especially in preparation for their examinations. Further he explained a valuable life lesson learned from the Indian Army during the Kargil War — the strategic withdrawal of troops from the Line of Control (LOC) during harsh winter conditions and the challenges that followed. Another guest, **Mr. Mano Vishweshwaran**, a law student and the Best NCC Cadet of 2023. As a participant in the Youth Exchange Program to Nepal, he passionately

narrated the story of **Captain Yogendra Singh Yadav**, a recipient of the Param Vir Chakra, highlighting his bravery and sacrifices during the Kargil conflict. Students have presented the role of Navy in Kargil war and the significance of Armd forces recapturing the Tiger Hill. Another cadet presented a poem on Kargil war. A mime was also staged to recall the incidence of

victorious war. 50 boy cadets (1 TN Armd Sqn), 50 Girl Cadets (1 TN Girl BN NCC), 50 Cadets - both Boys and girls (1 TN Naval Wing) of the school rendered salute to the guest and tribute to the Kargil martyrs. Capt. Chandran appreciated the School, Cadets & ANOs for making this event as a value-based learning activity.

VKIDS TSK toddlers engaged in fine motor activity, sponge dabbing. This activity not only encouraged fine motor skills but also allowed students to enhance the eye hand coordination.

Velammal Student Secures Bronze in State Boxing Championship

Maganamudhan, a student of Velammal Matriculation Higher Secondary School, Mogappair, has brought laurels to the institution by securing the bronze medal in the Tamil Nadu State Boxing Championship for Sub-Junior Boys and Girls 2025. The prestigious tournament was organized by the Tamil Nadu

Boxing Association in association with the Chennai Corporation Boxing Club, and was held from 20th to 22nd July 2025. Aganamudhan's remarkable performance and determined spirit stood out among the fierce competition, earning him a place on the victory podium. The school management and staff congratulated him

for his commendable achievement and wished him continued success in future championships.

Why Choose B.COM (GENERAL)?

Congratulations on deciding to pursue a career in Commerce at **Jayagovind Harigopal Agarwal Agarsen College!** “Commerce provides countless opportunities for innovation and creativity” B.Com (General) is an undergraduate degree program that provides a comprehensive foundation in various aspects of commerce, business and finance. It's an excellent option for students who want a well-rounded and in-depth understanding of commercial principles, ensuring they feel secure and well-prepared for their future careers. This gives you a firm grasp of core business concepts. **SPECIALIZATION:** B.Com (General) focuses on offering a general

understanding rather than an in-depth specialization. This allows you to explore different areas of commerce before deciding on a specific career path. **CAREER OPTIONS:** B.Com (General) degree opens up a world of possibilities. You will be qualified for entry-level banking, accounting, sales, and marketing positions. It gives deeper into a specific area of commerce, allowing you to develop a strong expertise in your chosen field. Moreover, it equips you with the necessary foundation for pursuing higher studies like M.Com, MBA and professional courses like CA, CMA and CS giving you confidence and reassurance about your prospects. Ultimately, the best

B.Com (General) “the path depends on your aspiration” Carefully consider your interests and career goals, and research the programs offered by universities that align with your preferences. “Whoever controls the volume of money in any country is absolute Master of all industry and commerce” -James A Garfield Students, it's important to make an informed decision that will set you on the right track for a successful career in Commerce. Take the time to explore your options and consider your interests and career goals before making a choice. This will help you make the best decision for your future.

Interact Club Investiture Ceremony

KRM Public School, the Interact Club held its investiture ceremony, marking a new chapter in student leadership. The outgoing President, Secretary, and Treasurer — Pavan Kumar B, Mitha Jain, and Nivetha V — officially passed on their responsibilities to the newly elected office bearers: President R. Shrii Vishnu Navaneeth, Secretary Anirudh Vijay, and Treasurer Geshna B.V. The event took place in the school premises and was attended by the in-charge teachers Ms. Preethi John, Ms. Sudha Priya, and Ms. Ramyaa, along with our beloved

Principal, Dr. Sivasakti Balan D P, who is known for being kind and friendly. The chief guest for the occasion was Ms. Veena Vilasini, Rotary Club of Chennai Utsav. During the ceremony, the new syllabus for the year was introduced, which the members found fascinating and motivating. One of the key plans shared was a community service project aimed at cleaning a part of the beach, demonstrating the club's commitment to environmental responsibility. Ms. Veena Vilasini delivered an inspiring and encouraging speech to the members, motivating them to take active roles

in leadership and service. She also praised Principal Dr. Sivasakti Balan D P for his support and guidance. As a special moment, Ms. Vilasini presented badges to the new President, Secretary, and Treasurer, symbolizing their new roles. The entire inauguration was captured by the media club founders and members, preserving the memorable moments of the day. With fresh energy and commitment, the Interact Club at KRM Public School is ready to take on the challenges and serve the community throughout the year.

IIT Madras incubated Zerowatt Energy to invest Rs 116 crore on global expansion

Leveraging the just-concluded historic India-UK trade deal, Zerowatt Energy, incubated by the IIT Madras Incubation Cell, is expanding operations into the global market based in the UK, backed by an investment of Rs 116 crore (£10 million). Originally founded in Kerala and nurtured by Kerala Startup Mission (KSUM), Zerowatt has developed IoT and AI-

driven technology to reduce energy costs and carbon footprint in industrial facilities. Ansha Naji, founder & CEO of Zerowatt said, "Zerowatt's platform is already transforming hundreds of industrial sites in India, and this new global base will amplify our impact worldwide." Zerowatt currently serves over 100 industrial installations, including Aqua Group, Peekay

Steel, Mahindra Aerospace, Manorama Group, Venus Water Heaters, Medreich Pharma, Infoparks Kerala, and many others. Key sectors using Zerowatt's solutions include steel, foundries, automotive, chemicals, food processing, pharmaceuticals, textiles, glass, and appliance manufacturing.

Road Safety Patrol [RSP] Awareness programme at St. Joseph A.I.H.Sec.School Perambur

The RSP students organized a road safety awareness campaign during the month of July 2025. On every Thursday of this month, we had done an activity, including Placards, distribution of pamphlets,, educating the vehicle users on Road discipline through audio and appreciating them by giving them brochures and placard medals. Apart from this, we are planning to conduct a short session for the students and parents of the school as our aim of this programme was to making our roads safer for

everyone with the motto of RSP – “We live to serve” The Programme received an overwhelming response . This was led by Mr. Victor Niranjan, Traffic warden of the Tamilnadu Police Traffic Wardens Organisation, Chennai. He takes care of the RSP activities in this school. Thanks to Mr.Azeem Ahmed, Chief Traffic Warden, TNPTWO, Sr.Vanitha, Principal, RSP Teachers – Mrs.Padmini and Mrs.Sundari and to the dear RSP students of the school for their support and guidance.
